

# ***Rusty Bindings Singles Ski Club ~ Ski/Board Trip***

## ***Sun Peaks Ski Resort, British Columbia***

### ***March 4 - 10, 2018***

In the past, Rusty Bindings has organized ski trips for its members out of the Tahoe area. We haven't done that for a while. So the RB Board is bringing back that tradition of having small-group out of state ski trips for our members. Dick Duker and Janet Spencer have been authorized, working with Dennis Heffley (Sun Peaks Rep and RB member) and SportsAmerica, to put together a custom ski trip that we think you will all love.

The Sun Peaks Village is mostly auto-free, with ski in/ski out accommodations, and a relaxed and inviting atmosphere. The village is smaller than Whistler Village, and consequently very walkable to restaurants, grocery stores, and shops. Those familiar with Sun Peaks Resort know that it has *the Second Most Skiable Acreage (4,270) in all of Canada!* And being farther inland, the snow is much dryer than Whistler.

***We have reserved rooms at the finest hotel in Sun Peaks, the Grand Hotel, a 4-star hotel with deluxe accommodations and outdoor hot tubs. The hotel is in the middle of the village, yet right next to the lifts. No bus rides needed to the lifts, just step outside, put your skis on and ski to the lifts!***
